Its rare that a home this well cared for hits the market...This is a three bedroom, three bath bi-level with a huge oversized attached garage on one of the nicest streets Sherwood Park has to offer.. The list of upgrades is a long one and all of the major expensive items have been done recently...Newer shingles, eaves, windows(triple pane in living room and family room), furnace, hot water tank, garage door, entry doors, built in vacuum system, walk in shower in the three piece ensuite, electrical and more.... The location and setting are perfect...The lot is 864 square meters and is a private manicured oasis for the whole family...A little paint and flooring would make this home Shine!! Best not wait on this one....

Built in 1972
